Century
Batteries that last and last

LAWN & GARDEN

Power and performance from season to season.

Century EverRide Lawn & Garden batteries are the perfect partner for your ride-on mower! The EverRide range represents the latest in small engine starting technology for ride-on mowers, personal watercraft and generators. Available in both maintainable and maintenance free options, they're built tough to handle New Zealand's harsh climate and operating conditions.

Century Batteries, designed for New Zealand conditions

Century Batteries is part of the Century Yuasa group, New Zealand's leading battery supplier. Our reputation for quality and innovation has been refined and demonstrated over many decades.

In this time we have developed the engineering expertise and technical know-how to ensure we deliver a range of superior quality batteries better suited to New Zealand's diverse climate and tough conditions.

Lawn & Garden

EverRide Maintenance Free Series

Century EverRide Maintenance Free batteries are developed from some of the most advanced technical resources, and built tough to deliver superior starting power and performance in constant stop start applications.

- ✓ Maintenance free design – sealed to protect against dirt and dust ingress
- ✓ Calcium technology for lower self-discharge and longer life
- ✓ Platelock™ technology providing shock and vibration resistance

EverRide Maintainable Series

Engineered to protect against acid seepage, corrosion and vibration damage, Century EverRide maintainable batteries incorporate robust internal components to deliver dependable starting power and reliable performance in constant stop start applications.

- ✓ Low maintenance design allows easy top up of electrolyte for extended service life
- ✓ Robust internal components for improved deep discharge resistance
- ✓ Strong, durable antimonial cast plates for longer life
