### WARRANTY INFORMATION

This battery is warranted against defects for 5 years from date of purchase for recreational cyclic use. Warranty is void for starting/cranking applications, if fitted under the bonnet or in industrial applications, mains grid connect solar or float charge applications or in environments outside of the operating temperature range. Assessment of the battery is based upon the Century Yuasa warranty test procedure. If our testing determines this battery is defective we will replace it however the costs of delivering it to a warranty location and collecting it and any replacement are yours. Claim must be made within warranty period detailed on the product. Dated proof of purchase is required. Warranty period for replacement starts on date of purchase of defective battery it replaces. Call (07) 3361 6161 in Australia or 0800 93 93 93 in New Zealand to make a claim. Warranty does not cover defects due to normal wear, abuse, damage, neglect, over or under charging, incorrect charging, charging with a non lithium-ion compatible charger or incorrect application, installation or maintenance. The benefits of this warranty are in addition to other rights and remedies available at law. Our goods come with guarantees that cannot be excluded under Australian or New Zealand Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. RECYCLE RESPONSIBLY, do not dispose of with household waste.
